

## **Facilities Assistant** Service Hours

- Raise and/or lower the basketball backboards at Annapolis Area Christian School before and/or after your daughter's practice.
- The coaches will have a key to the closet where the crank/drill is kept
- PLEASE be very careful with the drill, it belongs to AACCS, not BAVA.
- PLEASE make sure you turn the drill the correct way. Turning it the wrong way will damage the wire system for the basketball boards.
- Work with the other parent volunteer or coaches during the same practice time to ensure the backboards go up prior to practice, then get lowered at the end.

### 2012 Practice Schedule AACCS:

Mondays – Waves and Cyclones

Tuesdays – Riptide and Avalanche

Wednesdays – Waves and Cyclones
