

## **Uniform and Tournament Volunteer Coordinator**

### Service Hours

- All uniforms have been ordered. (Uniforms for each player consist of jerseys, spandex, bags, warm-up t-shirt, jacket, and pants)
- Planned delivery is early-mid January. The Breakers and Avalanche have a tournament on Jan 8, so those jerseys and spandex will probably be delivered first.
- Please be prepared to meet one or two evenings in January to sort the uniforms.
- You'll then need to deliver the uniforms to your team (players and coaches).
- After all has been delivered, if there are any problems please work with Lauren to get things straightened out. I'd like it if you could coordinate communication with your team instead of people emailing me directly during this process.
  
- Coordinate with other team volunteer coordinators that are attending the same BAVA tournaments to ensure coverage for set-up, clean-up, and t-shirt sales are covered for all BAVA hosted tournaments
- BAVA will send out a grid of what will be needed at each tournament facility.
- Remember that all families need to contribute 2 service hours to the BAVA hosted tournaments.
